Pointe-Claire, January 28, 2020: On Monday, January 27th, Community Shares held its signature fundraiser, the **Red & White Benefit Evening, presented by National Bank and Pfizer Canada**, and honoured 10 influential businesswomen philanthropists. More than 280 local business and community leaders attended the event which raised a record-breaking \$275,000 net.

“This is a unique event for a unique organization. For the first time this year, we are celebrating 10 influential businesswomen who have repeatedly demonstrated their commitment to supporting a vibrant and healthy West Island community. We chose to celebrate these women who support not only West Island Community Shares, but many other worthwhile organisations. They are exceptional leaders, who take pride in helping others, and often do so behind the scene. We decided it was time to shed the light on these exceptional businesswomen philanthropists,” said Michel Béland, Regional Vice-President RBC, and President of the Board of Directors of Community Shares.

Community Shares' Executive Director, Sophie McCann, also thanked all West Islanders who contribute to support one or many community organisations in the shadow. "Although we are shedding light on these ten women tonight for their outstanding work, we recognize that many more men and women continue to offer their valuable time, expertise and financial support to many worthwhile organisations across the West Island and beyond. Some of them are even here with us tonight. Although you may not appear on the official photo, you should know that we see you, we recognize your contribution and your work truly matters," said McCann.

Not only was 2020 a record-breaking event, the Red & White Benefit Evening has raised more than \$2 million since its creation in 2005. "This landmark event is a unique opportunity to bring together business leaders and members of the community to support West Island residents in need. Together, we can really make a difference in the lives of those who benefit directly from West Island Community Shares' support. National Bank is proud to be part of this sweeping cooperative movement," said Yannick Pelletier, Associate Vice-President, Commercial Banking, National Bank and 2019-2020 Community Shares' Campaign President.

The proceeds of the evening will bring us one step closer to our annual fundraising campaign goal of \$1.3 million. The campaign runs until March 31, 2020.
